

Tuesday, November 14, 2023

Dear Parents/Guardians and Students:

I have received official notification from the union executives representing our teachers and professionals indicating they will be on strike from midnight on November 21st through to 11:59 pm on November 23rd.

As a result, a decision has been made to **cancel all classes, transportation, and daycare services** across the Western Québec School Board on November 21st, 22nd, and 23rd. Please note that all schools, centres, and the board office will be closed on these days.

Should there be any changes in the situation, I will advise you. Thank you very much for your cooperation and understanding.

Respectfully,

George Singfield

Directeur général
